

Christian COMMUNITY CHURCHES OF AUSTRALIA

Dear Church Leaders,

Greetings in the Name of our Lord and Saviour.

I wish to bring to your attention and seek your assistance in making known the following information to your church members. The next National Conference of CCCAust is to be held at Mueller Community Church Rothwell, Queensland from 11th to the 14th June 2010.

We have two international speakers and the theme of the conference will be **Life at the Crossroads Being a Bible based, Culturally aware, Involved Christian**. The speakers are George Verwer Founder of Operation Mobilisation and Dr Mark Strom Principal New Zealand Bible College. It will be a truly challenging and motivating time together and the organizing committee would be delighted to see attendees from as many churches as possible across each state. There will also be a National Committee update and consultation session held during the weekend.

For people attending the Conference the following accommodation options are available.

Firstly, as a church community the Mueller Community Church can offer billeting. When the conference forms are released you will have the option of billeting with families from Mueller Community Church. You will be able to select this option which would represent a considerable saving on accommodation.

The second option is to make a holiday out of coming to Queensland. You might like to consider the Scarborough Beach Resort which is about 15minutes from the conference venue and right on the water. You will need to make your own accommodation booking for this. They have single and double rooms which may work for shared accommodation arrangements. You can make your booking directly. <http://www.scarboroughbeachresort.com.au/>

There are other motels in the Redcliffe and Margate area that may be cheaper than the Scarborough Beach Resort and further details will be made available.
